How
to Catch a

Yeti

sourcebooks
wonderland

Legend has it, there lives a beast
we really want to meet.

He's extra huge with snow-white fur,
and giant, **fuzzy feet!**

I know the Yeti does exist,
and I can prove it too!

So with my friends, we'll find him **fast**
before the day is through!

Whoa! Look at this giant **footprint**

set in the mountain snow.

And there's a trail just up ahead!

I wonder where it goes...

Is that a Yeti photograph?

How did that get there?

Hey! That's the beast we're looking for!

We must be in his **LAIR!!!**

I knew it, I knew it! He *does* exist!
Our **Yeti friend** is real!
And look, look, look! Just over there—
I swear I saw his heel!

Can we catch the Yeti?

You bet we're going to try!

Our **crystal snowflakes** might have worked,
but the Yeti said "bye bye!"

Whoops! He just got out.

Syrup? Check. Candy? Check.
We'll catch the Yeti, no doubt!
Unless the Yeti's very **HUNGRY**...

Quick! He went into that room!
We're gonna catch him now!
Eep! Where'd he go? That tricky dude!
He **ESCAPED** again—but how?

We thought that marbles, sleds, and snow
would finally do the trick.

But Yeti's moves are off the charts!

That dude is really **SWOOSH!**

This crystal cave is glowing bright!

I love the colored lights!

Too bad our bubbles didn't work!

We forgot about the stalactites!

CLAP YOUR HANDS! We've got the guys!

Don't forget to aim!

We really have a head to win
this pillow-fighting game!

I thought for sure that this would work,
But the **World** got away.
I've got an idea that just can't lose.
One more shot, what do you say?

Okay, this is our final chance! We haven't on
our ~~Yeti Snatch-a-roo 3000~~
will catch the leprechaun yet!

Our Snatch-a-roo was just too slow,
and Yeti is too fast.

Even though we missed our friend,
today we've had a **BLAST!**

"Thanks for playing, kids!" he says,
"Those traps were so much fun.
Please come back and play again,
our **friendship's** just begun!"

Come again soon!
